

## SEED FUNDING

### EU-CONEXUS Ambition:

The European University for Smart Urban Coastal Sustainability (EU-CONEXUS) is a transnational European higher education and research alliance addressing global and local challenges by tackling coastal environmental, technical, economic and societal needs (SmUCS challenges). EU-CONEXUS is a fully-fledged university. It offers education, training, study programmes, performs research and links with socio-economic actors for supporting innovation.

To find more information, please visit the [EU-CONEXUS Website](#).

The EU-CONEXUS community brings together researchers, teachers and students from the different partner institutions and aims to foster internal collaboration between them by offering **Seed Funding**.

### Objectives of the Seed Funding:

The overall objective of the Seed Funding is to enhance collaboration between EU-CONEXUS partners in **education, research and innovation on SmUCS challenges**.

Therefore, teams from EU-CONEXUS partner universities can apply for **Seed Funding** in order to **develop small-scale internal collaborative projects in the field of Smart Urban Coastal Sustainability (SmUCS)**. Projects can focus on activities across education, research and innovation.

**Smart Urban Coastal Sustainability (SmUCS)** means for EU-CONEXUS to focus its education, research & innovation, and knowledge-sharing activities on defining, understanding and addressing societal challenges that are experienced by communities from urban and semi-urbanised coastal regions (rivers, seas and oceans).

**Expected outcomes** of the projects must be tangible: possibility to work together on a bigger project, joint research, joint presentation in a conference, preparation of a joint publication, joint study programme, enhanced education related activities addressing the societal challenges, etc.

### Eligibility criteria:

- ✓ Eligible beneficiaries are the nine EU-CONEXUS partner universities. Other organisations can participate but do not receive any funding.
- ✓ A seed funding project proposal must be submitted.
- ✓ The project proposal subject must approach one or several challenges in the field of Smart Urban Coastal Sustainability (SmUCS).
- ✓ At least 2 researchers or academics from 2 different EU-CONEXUS partner universities must be involved in the project (other organisations cannot be part of this core group).
- ✓ Groups of researchers, academics, project holders who already received support from Seed Funding (first and second calls) will not be eligible a third time, with the same partnership.
- ✓ The same project idea won't be financed through Seed Funding twice.
- ✓ Duration of the Seed Funding project: up to maximum 12 months.

### Evaluation criteria:

The proposal will be assessed with regards to 3 main criteria:

- ✓ **Excellence:** Relevance of the project with regards to the societal challenge of Smart Urban Coastal Sustainability, Education, research or innovation contribution of the proposed project, Appropriateness, completeness and clarity of the methodology.

## SEED FUNDING

- ✓ **Impact:** Impact of proposed activities and results, in particular for EU-CONEXUS, Expected outcomes
- ✓ **Quality & efficiency of implementation:** Work plan, Organisation, Budget coherence with regards to project ambition, Deliverables.

Proposals involving more partner universities will be prioritised.

### Funding Criteria:

- ✓ Eligible costs are: conference fees, publication fees, travels, etc. (personnel costs, equipment and consumables or services related to research are not eligible). A detailed budget must be provided.
- ✓ The funding is **maximum €4400 (VAT included) per project.**
- ✓ Co-funding is allowed and encouraged whether it comes from the partners' own funds or from public or private funds.
- ✓ The expenses related to each project are paid for directly out of the central EU-CONEXUS budget.
- ✓ There is funding available for approximately 20 small-scale projects in total distributed within 4 calls (around 5 projects supported per call).

### Application:

- ✓ The project leader has to send the **completed application form** (Annex 1) to the following email address: [projects@eu-conexus.eu](mailto:projects@eu-conexus.eu)
- ✓ **This call is open continuously for the year 2025 with two cut-off dates:**
  - **April 25<sup>th</sup> COB, 2025 and**
  - **August 29<sup>th</sup> COB, 2025.**

*NB: Projects not selected for funding after the first cut-off date won't be automatically part of the second round (for the second cut-off date). These projects should be re-submitted to be evaluated again after the second cut-off date.*

### Selection Rules:

- ✓ A **two-step-evaluation** will take place:
  - In a first step the Project Development Support Office will assess the conformity of the application to this call and its technical eligibility.
  - In a second step, the applications will be evaluated by a rotating committee composed of 3 representatives from 3 partner universities (evaluators are designated by the members of EU-CONEXUS Plus Work Package 10, in charge of setting up the Project Development Support Office). After the first cut-off date, the committee members will come from la Rochelle Université, South East Technological University and University of Zadar. After the second cut-off date, the committee members will come from Frederick University, La Rochelle Université and University of Rostock. In addition, for both cut-off dates, the vice-chairs of Academic and Research Councils will participate in the evaluation.
- ✓ A ranking of the projects will be provided by the committee and approximately 5 proposals will be selected for funding based on the ranking.
- ✓ Applicants will be notified one month after the cut-off date at the latest.
- ✓ The projects selected will be presented to the Research or Academic Councils depending on the field covered by the projects.

## SEED FUNDING

- ✓ A report will be submitted at the end of each project according to the format provided.

The Project Development Support Office is in charge of managing the Seed Funding. For any question you can contact the team of project officers at the following address: [projects@eu-conexus.eu](mailto:projects@eu-conexus.eu).

*The Project Development Support Office missions are to:*

- 1) Manage the Seed Funding,*
- 2) Work in order to increase mobilisation of EU-CONEXUS community in developing common projects either internally or in response to external calls for proposals It offers training, information sessions to the community and facilitates collaboration of project development support structures through knowledge and expertise sharing.*
