

## 1<sup>ST</sup> ROUND SELECTION PROCESS

### Eligibility and assessment of applications

Selection Committee decision  
06/03/2025

The EU-CONEXUS JMPMB Selection Committee has received 495 applications for the first selection round (deadline: 31 January 2025) for the Joint Master's Programme in Marine Biotechnology, starting in the 2025-2026 academic year. This initial selection round aimed to identify the most outstanding candidates for the JMPMB programme who will be awarded Erasmus Mundus scholarships.

**I. The Selection Committee has evaluated each application for its eligibility to study JMPMB:**

- 1) first the formal aspects were checked (required documents, documents in English, etc.),
- 2) and then the eligibility requirements were reviewed.

The relevance of the Bachelor's degree of the applicant in respect to the access to the second cycle studies and the JMPMB programme were assessed:

- The degree issuing higher education institution must be an accredited institution in the country where the studies are conducted/registration of HEI and to have a right to issue the degree which is submitted.
- The programme must be accredited for the period when the applicant has studied there.
- The qualification must provide access to University Postgraduate studies in any country.
- The qualification must be recognized by the NARICs (National Academic Recognition Information Centers) of the Partners.  
*\*This verification will be carried out throughout the selection process and enrolment.*
- The qualification (or together with additional formal and non-formal qualifications) shall meet specific requirements to study JMPMB.
